

Pre Chemo Checklist

How to find the information needed for the pre chemo checklist quickly.

The screenshot shows the 'Pre-Chemo Checklist' form in the Epic system. At the top, there are tabs for 'Notes' and 'This Visit', and a dropdown menu for 'Pre-Chemo Checklist'. Below this, the 'Time taken' is set to 9/15/2023 at 1230. The checklist items are as follows:

- 1** **Has the patient been in the hospital, ED, or urgent care since last date of service**: Callout: 1 You can find this in **Chart Review - Notes**
- 2** **Chemo/Immuno Consent Signed**: Callout: 2 **Treatment Tab-Consents**. If consent pre-dates EPIC check media tab
- 3** **Protocol/Indications Verified**: Callout: 3 **Springboard report** gives most detail
- 4** **Pregnancy Test Negative**: Callout: 4
- 5** **Parameters Met**: Callout: 5
- 6** **BSA/Weight-Height Verified**: Callout: 6 and 7 **Springboard report** gives most detail
- 7** **Dose Calculations Verified**: Callout: 6 and 7 **Springboard report** gives most detail

At the bottom of the form, there is a 'Create Note' button and 'Save' and 'Cancel' buttons.
